Love Letters to Jesus!

"Without Me, you can do nothing"
~ Jesus
cf. John 15:5

ALL FOR LOVE OF YOU

Dear Lord,

It sometimes seems that the duties and the “must do” things of this world separate us from you. They are like the chains around the ghost of Marley in Dickens’ Christmas Carol. Of course, I know it is necessary to do things and to carry our share of what needs to be done. Yet, how do we do this without shutting you out?

St. Therese of Lisieux had a wonderful but simple plan. She drew you into every ordinary activity by offering it to you and doing it to please you.

If only I could remember to do this, Lord, I would be drawn closer and closer to you. What greater gift could I ask to know I was doing everything for you?

Grant me this grace, Lord, so that I may do all for love of you. Then, on the last day, when I come before you, it will not be to a judge, but to my loving Lord, whom I have tried to serve faithfully.
